# 2021 MAGNOLIA HOUSE PURPLE BAG CHALLENGE

Victims leaving domestic violence relationships, often need help rebuilding their lives. Items we may consider small can seem overwhelming to replace to someone who is working to rebuild everything. This year, we ask that you pick up a purple bag from our Thrift Shop, or from one of our Advocates and fill it with the items listed, then return it by October 15th. When domestic violence victims receive these bags, they are not just receiving self care items. they receive HOPE. They receive the gift of knowing someone cares. For people who have been through so much, knowing someone cared enough to **FILL-A-BAG** can be the HOPE someone needs to keep moving forward.

Please join us in the challenge by filling a bag with:

## October is Long-Term Care Planning Month

This month senior citizens and/or those caring for them are encouraged to develop a plan to help meet the high costs of long-term care. For the most part, a majority of long-term care costs are not covered by most health insurance plans or Medicare. That is where planning for Long-Term Care becomes so important. We encourage families to explore long-term care planning options. For more resources, go to: <http://www.caregeorgia.org/index.htm>
