The End of School Bash was a great success this year and helped start the summer off with some FUN IN THE SUN! The Douglas Police and Douglas Fire Department had a blast spending time with everyone and seeing the smiles on the kids faces. Thank you to all the officers and firefighters who came out and participated with the community. Special thanks to our event partners Parks & Recreation, Tifton Coca-Cola, ChickFilA Douglas, Douglas Mayors Youth Council, & Lifeguards.

The Douglas-Coffee County Parks & Recreation Department has fun and active camps to offer children this summer. Parents June register their child for summer camps by stopping by the Parks and Recreation Office located at 200C S. Madison Avenue or online at www.cityofdouglas.com/recreation and click on the online registration link. Space is limited in camps, so be sure to get your child signed up! To view a list of all the camps, click [here!](#) For more information, call 912-384-5978 or 912-850-0344.

The Douglas Fire Department (DFD) has received a new instructional building at the DFD Fire Training Facility. This new modular building includes a spacious classroom-style training area, two offices, a storage room, and two restrooms. The facility is primarily used for training city firefighters, but it also offers its services to the Coffee County Fire Department and surrounding counties for training assistance as needed. *(Left Photos)*

The training areas on-site are diverse and extensive, including classroom training, a Fire House, a 2-story Burn Building, a 3-story Rescue Tower *(right photo)*, a confined spaces training area, and live fire props. These training areas provide a comprehensive and realistic training experience to firefighters, equipping them with the skills and knowledge needed to handle emergencies that may arise. The State Fire Academy and the Georgia Spartan Firefighter Program also utilize this training facility whenever needed. With its classroom facility and well-equipped training areas, the DFD Fire Training Facility is a valuable resource for DFD firefighters and the region. For more information about the DFD Training Facility, contact Douglas Fire Chief Casey Wright at (912) 384-4815.

Longhorn construction continues and is moving along at a great pace!

HeadStart/Early HeadStart Project is moving fast! Roof is on, power is being ran to the building, and the metal for interior walls can be seen.

HISTORIC BARRACK OPEN HOUSE DATES IN JUNE

The building, Barrack #5, is a part of the historic World War II Army-Air Force Flight Training Air Base and was utilized as housing for the cadets that trained at the Air Base (1941-1945) before transferring to other bases to advance their flight training. For full press release, www.cityofdouglasga.gov/. Open House dates for in June will be June 5 (9AM-1PM), and June 28 (1PM-4PM). The open house is free of charge. For more information about the historic airbase or preservation efforts, call Community Development at (912) 383-0277.
