The HeadStart/Early HeadStart Project continues to move along. When we took a peek at the facility, we saw the brick work is almost completed on the exterior. Plans are to have the facility open before school starts back in August.

The paving of dirt roads in the Satilla Industrial Park (441 South) continues. This is a joint venture with the City of Douglas, Douglas-Coffee County EDA, and Coffee County to help continue commercial & industrial growth in Douglas and Coffee County.

The ground is moving at the location for the Journey North Apartment project on Lupo Lane. The project is will consist of 126 units and is expected to be completed in 2026.

CITY OFFERS INCENTIVES FOR ENTERPRISE ZONES

In accordance with the State of Georgia's Enterprise Zone Employment Act of 1997, the City of Douglas has established five (5) Enterprise Zones in the city to encourage revitalization and investment in the areas. Property owners, who apply for the incentive program and successfully achieve and maintain the criteria set by the program, may qualify for abatement of municipal ad valorem (property) taxes for a ten (10) year period on business, commercial, and residential properties within the established Enterprise Zone geographic areas. For more information about the incentives or a map of the Enterprise Zones, please visit the City of Douglas website, www.cityofdouglasga.gov/Enterprise-Zones.

READING WITH LILY THE LITTER OFFICER

Pre-K, Kindergarten, & 1st Grade Education

OUR PROJECT

- ✓ Environmentally Conscious
- ✓ Encourages students to seek different disposal options.
- ✓ Teaches how we can all help keep our community CLEAN & GREEN.

This youth education program focuses on Pre-K, Kindergarten, and 1st-grade students, teaching them about responsible behavior towards waste disposal. The curriculum addresses the importance of properly disposing of trash rather than littering. Students learn about the impact of litter on oceans and waterways, emphasizing their role as environmental stewards. They are educated on making informed choices such as using the three R's: Recycle, Reduce, Reuse, to contribute positively to environmental conservation efforts.

YOUTH ENGAGEMENT

Reading with Lily the Litter Officer is presented at no charge. A Keep Douglas Beautiful member will read a book and Lily will visit with the children. Public/private school presentations can be scheduled during the school year.

IS TRASH REALLY TRASH??

THIRD GRADE EDUCATION

OUR PROJECT

- ✓ Environmentally Conscious
- ✓ Re-examines what is perceived as trash and to seek different disposal options.
- ✓ Reuse Activity - Water Bottle Bird Feeder
- ✓ Participating classes receive activity books, pencils, and crayons.

This youth education program targets third grade students. It examines landfill waste reduction via the 3-Rs: Recycle, Reduce, Reuse. Students are taught about dump vs. landfills, products, product life spans, environmental stewardship and are equipped with tools to make smart consumer decisions before "throwing away" trash. Students will have a hands-on reuse activity by making a Water Bottle Outdoor Bird Feeder.

YOUTH ENGAGEMENT

Is Trash Really Trash? is presented at no charge. The presentation is about 45 minutes. Public/private school presentations can be scheduled January/February and September/October.

STEAM

Science, Technology, Engineering, Arts, Mathematics.

GARDENING

5TH GRADE ELEMENTARY STUDENTS

Limit of 2 per school. Only available during the months of September-Early October each year so the vegetables are picked and beds are clear before school releases for the summer.

OUR PROJECT

- ✓ PLANT
- ✓ WATER
- ✓ GROW

This youth education program centers on 5th-grade STEAM gardening, offering students a hands-on experience in various disciplines:

- Delve into the science of germination through observing seeds sprouting.
- Utilize technology with planters, watering cans, and digging tools.
- Engage in engineering by designing trellises for tomatoes.
- Incorporate creativity by cultivating a range of colorful vegetables.
- Foster mathematical skills through activities like counting, matching, and sorting.

Water Safety Tips

Swim in designated areas supervised by lifeguards.

Always swim with a buddy.

If you go boating, wear a life jacket!

Install and use barriers around your home pool or hot tub.

Actively supervise children whenever around the water.

Always stay within arm's reach of young children and avoid distractions.

Reach or throw aid to distressed swimmers – don't go!

Keep toys not in use away from the pool and out of sight.

Be water safe this summer. redcross.org/watersafetytips

SMALL BUSINESS FUNDING

Less than 50% of
small businesses
have their financing
needs met.¹

*If thinking about financing your business
makes your head spin, we're here to help.*

This program will cover the new State Small Business Credit Initiative program, designed to support small businesses' access to capital, in addition to covering other various types of financing including: conventional bank loans, SBA-guaranteed loans, private equity, specialty lending programs and grant funding.

Our facilitators will delve into the common myths and misconceptions surrounding the financing of small businesses and provide an understanding of the realities entrepreneurs face.
