The City of Douglas, Douglas-Coffee County EDA, Douglas-Coffee County Chamber and Downtown Douglas Development Authority proudly hosted ECG Location Georgia for a tour of Douglas and all of our fantastic community. The group toured downtown, the Martin Centre, industries, industrial parks, and the airport. ECG’s Office of Economic & Community Development works to assist companies in making successful moves with economy of scale resources and a wide range of services.

The Douglas Police Department (DPD) has unveiled its Tesla Model Y test program. Instead of choosing a Ford, Dodge, or Chevy, the Douglas Police Department has made a unique choice by purchasing its first Tesla Model Y vehicles. The two new Tesla Model Y administrative vehicles and two new patrol vehicles, which look different from the usual police SUVs in the area, arrived on Friday, August 23, 2024. The DPD Teslas will be in full operation before the end of December 2024. Read the full story, [here!](#)

Project Check-In Around Douglas

Downtown Pocket Park
Phase II is nearing completion with the addition of sidewalks and planters with seating area.

Water/Sewer/Stormwater infrastructure upgrades taking place on the Perimeter Bypass/GA135/US221.

Ashley Place is undergoing major renovations on the interior as well as the exterior. Plans are for Ashley Place to become the new home for RW Griffin Executive Offices.

McNeil Drive Improvement Project is wrapping up. Road have been resurfaced and will soon receive stripping.

The City of Douglas has been awarded a Georgia Department of Community Affairs Community Development Block Grant (CDBG) for housing rehabilitation in the Pine Street target area. The grant totals \$877,225. The grant will be used to rehab substandard owner-occupied housing units of whom 100% are low-to-moderate income persons.

"We are thankful to the Department of Community Affairs for their crucial role in providing grants that contribute to neighborhood revitalization and enable cities to improve aging infrastructure," says Mayor Tony Paulk. "Community Development Block Grants are absolutely essential for making crucial infrastructure and housing improvements in Douglas. Without this vital assistance, our community would face significant challenges in advancing and thriving."

Since 1975, the city has received CDBG funds for various improvements in the areas of housing, water/sewer infrastructure, and stormwater/drainage throughout Douglas. In 2023, the city was administering \$23,543,134.53 in total grant monies, which included several grants that have resurfaced streets/roads, improved water, sewer, stormwater, natural gas, and sidewalk infrastructure, assisted with the purchase of public safety gear, improved the airport, and rehabilitation of several parks. The CDBG'21 and CHIP'21 are among recent housing grants that have benefited or will benefit owner-occupied homes with low-moderate income in several target areas. A full list of each grant and more information about city projects can be found in the 2023 Annual Report on the website, cityofdouglasga.gov/66/City-Manager.

CDBG funding assisted with drainage/ stormwater improvements & paved streets in the Hollywood Dr. Subdivision.

CDBG'2020 funding assisted with the construction of the Coffee County Unison Adult Behavioral Health Services Facility.

The Keep Douglas Beautiful Committee has placed their cleanup signs around areas of Douglas that are prone to litter. Don't be a litter bug—help keep our community clean!

Cemetery improvements are well underway! Drainage & stormwater improvements and paving or resurfacing of roads are taking place.

TIA Sidewalk Improvement Project—Sidewalks are continuing to be constructed on E. Baker Hwy. and will have ADA accessibility.

Douglas City Clerk Wynetta Bolder has been selected by the Georgia Municipal Association (GMA) Board of Directors to serve on the Children and Youth Advisory Council for the 2024-2025 period. The Children and Youth Advisory Council was established in 2019 to support municipal officials in Georgia and across the country. These officials have increasingly acknowledged that investing in children and youth is crucial for a city's quality of life and future economic prosperity. There is also a growing understanding that city leaders can and should take a key role in uniting various stakeholders to address workforce development and other important issues related to children and youth in their community.
