The Douglas Fire Department is proud to announce the arrival of its newest apparatus - a Fouts Mini-Pumper Fire Rescue Truck. This advanced unit is designed to improve response times and provide greater flexibility for a wide range of emergency situations.

The Fouts Mini-Pumper combines the power of a traditional pumper with the agility of a smaller, more maneuverable vehicle. The truck features a high-capacity pump and water tank for rapid fire suppression, compact design for navigating tight streets and off-road areas, and rescue-ready configuration, equipped with essential tools for vehicle extrication, medical emergencies, and technical rescues. The addition of this truck reflects the department's ongoing commitment to community safety and operational excellence.

Tree Planting at Wheeler Park

Trees were planted in Wheeler Park the week of January 29, 2026. This project is a partnership between the Community Foundation of Coffee County, Keep Douglas Beautiful, and the City of Douglas (Electric, Fire, Parks & Rec.). The trees are from Hahira Nursery. The hill on the West Gordon side of the park will be beautiful in the fall with Autumn Blaze Red Maples. A few Willows will be planted along the creek to bring back memories, and oaks will provide shade during warm summer day. A HUGE thank you to our partners for making this happen for our beloved Wheeler Park!

City and county leaders from across Coffee County met on Tuesday, January 13, 2026, to review a preliminary draft of the Joint Douglas-Coffee County Disaster Recovery Plan. The meeting marked an important step toward coordinated disaster recovery planning following recent emergency response and resilience efforts.

Braving the Chill!

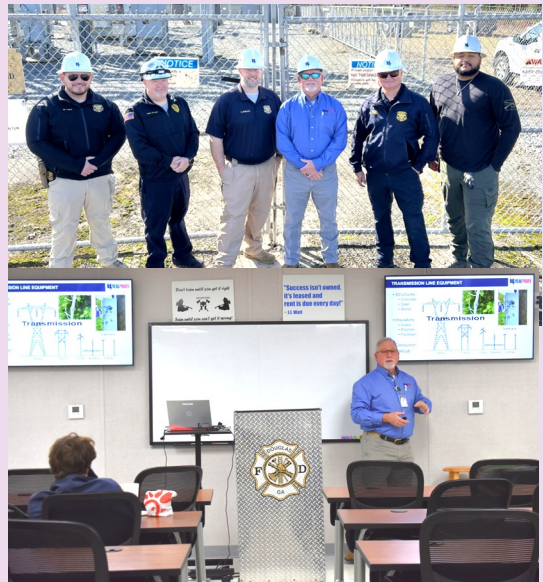

Our Electric Department crews were out in the cold, delivering mutual aid to Electric Cities of Georgia communities to help restore power to communities.

This is what it's all about — when they need us, we're there. When we need them, they show up. Together, we make a difference!

MEAG Power Conducts Substation Safety and Awareness Training for Public Safety

On Tuesday, January 6, 2026, the Municipal Electric Authority of Georgia (MEAG) provided complimentary substation safety training for the Douglas Police Department and Douglas Fire Department at the DFD Training Facility. The session included a classroom presentation followed by a site visit to one of the City of Douglas' substations. Read more on our website, www.cityofdouglasga.gov.

Inframark/Water Department Crews Battle the Cold to Repair Water Main Break

On Friday, January 27, 2026, with temperatures at 35°, crews from the Water Department/Inframark worked tirelessly to repair a water main break on the 1300 block of Ocilla Rd. Despite the biting chill, they got the job done and restored water service to homes and businesses in the area.

A big THANK YOU to these dedicated teams for keeping our city running—rain, shine, or freezing cold!

Rehabilitation Tax Incentives

PROGRAM BENEFITS

- Promote economic development
- Encourage heritage tourism
- Support sustainability

THREE TYPES OF INCENTIVES

- Federal Rehabilitation Investment Tax Credit
- Georgia Preferential Property Tax Assessment
- State Income Tax Credit for Rehabilitated Historic Property

REQUIREMENTS FOR ELIGIBILITY

- Certified structure
- Follow Secretary for Interior Standards for Rehabilitation
- Meet substantial rehabilitation test

Program Overview

Georgia's Historic Preservation Division (HPD) offers financial assistance supporting historic preservation projects through three tax incentive programs. The Federal Historic Preservation Tax Incentive Program is administered by the National Park Service through each State Historic Preservation Office and is available to income-producing properties. The federal income tax credit is 20% and is not capped. The Georgia Preferential Property Tax Abatement and State Income Tax Credit for Rehabilitated Historic Property are available to both private residential properties as well as income-producing properties. The abatement program freezes the county property tax for more than eight years while the income tax credit of 25% is capped at levels depending on how the building will be used after rehabilitation.

ENTERPRISE ZONE MUNICIPAL TAX ABATEMENT PROGRAM

The Enterprise Zone Municipal Tax Abatement Program was established by the City of Douglas, in accordance with the State of Georgia Enterprise Zone Employment Act of 1997, to incentivize revitalization of geographic areas experiencing high levels of disinvestment, underdevelopment and economic decline. The program offers abatement of municipal ad valorem (property) taxes for a ten-year period on business, commercial, and residential properties located within the designated geographic area, when property owners successfully achieve and maintain one of the following criteria. (See back for Douglas Enterprise Zone Areas or <https://www.cityofdouglasga.gov/304/Enterprise-Zones>)

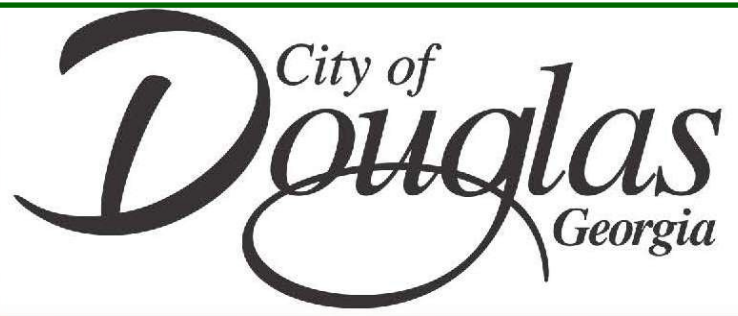

- ♦ **Job Creation** – A business or service enterprise within an EZ must create and maintain a minimum of five (5) new full-time equivalent jobs at the time of application to receive tax abatement. The five jobs must be new positions above and beyond the existing/prior positions employed by the business, thereby reflecting the creation of five “additional jobs.” The five new jobs must not have a pre-determined end date, include a regular work week of 30+ hours or more, and have the same benefits provided to similar employees. The five jobs must be maintained throughout the ten-year period of abatement in order to maintain tax exemption. Additionally, qualifying business or service enterprises must make improvements to the property.
- ♦ **Land Improvement (Construction/Rehabilitation)** – A business, service enterprise, or other party carrying out new residential construction, residential rehabilitation, or other rehabilitation of an existing structure within an EZ such that the value of the improvement (s) exceeds the value of the land by a ratio of five to one by the Coffee County Tax Assessors valuation.
- ♦ **EZ-Approved Residential Property - Home Ownership Purchase** – To encourage home ownership in EZ areas, initial home buyers purchasing EZ-approved residential properties for primary residency, and where the property developer has met the five to one increase in value of the property, shall be eligible to obtain tax abatement for this same property. A Notification of Sale of EZ Approved Residential Property/Home Owners Application form with new home owner information and necessary proof of sale documentation is required.

IMPORTANT NOTICE: Once property tax abatement is granted, the incentive remains in effect for the full ten-years, regardless of the expiration of the Enterprise Zone area designation. However, failure of EZ applicants to accomplish the applicable criterion stated above can result in revocation of the tax abatement and recapture of any and all abated taxes or other incentives granted. EZ applicants must show verifiable proof to document compliance with EZ program requirements. Applicants approved for EZ Job Creation incentives must provide proof annually of the maintenance of these jobs to the City of Douglas’ Office of Community Development no later than 30 days following the close of each calendar year in which taxes were abated.

**TO BE CONSIDERED FOR TAX
ABATEMENT INCENTIVES IN THE
UPCOMING CALENDAR YEAR, THE
APPLICATION MUST BE COMPLETED AND
RECEIVED BY THE OFFICE OF COMMUNITY
DEVELOPMENT LOCATED AT CITY HALL,
302 S. MADISON AVE. NO LATER THAN
FRIDAY, SEPTEMBER 25, 2026, 5 PM.**

Applications will be accepted from
January 1-September 25, 2026, 5pm. for
Enterprise Zone designation commencing in the
following year (2027) Applications received after
this date may be submitted, but will not be
considered for the upcoming year.

For more information, please call the Office of
Community Development at (912) 383-0277 or
email ghenderson@cityofdouglasga.gov.

WEATHERIZATION GRANT PROGRAM

The City of Douglas has grant funding to assist qualified senior city residents with limited weatherization improvements to their home.

Adults 55-64 years of age may qualify for:

⇒ **50% Grant and 50% Applicant Match**

Adults 65 years of age or older may qualify for:

⇒ **75% Grant and 25% Applicant Match**

Eligible Energy Items:

- ⇒ HVAC Replacement—(1) per structure or (2) per split-level structure.
- ⇒ Attic Insulation & Ventilation
- ⇒ Interior/Exterior Doors
- ⇒ Windows and/or caulking or sealing existing windows.

REQUIREMENTS:

- Must live in the city limits of the city of Douglas and a U.S. Citizen.
- Must provide proof of home ownership.
- Must occupy structure as primary residence.
- Must provide proof of insurance.
- Must provide proof that property taxes are current.
- Must be the Utility Account holder or listed on the utility accounts.
- Must be current on Utility account and not a participant of the City of Douglas Utility Payment Plan.
- Must provide (3) three quotes for proposed items and work.
- Must allow qualified city staff to conduct an energy audit to determine the needed improvements.
- Must disclose conflict of interest.
- **MANUFACTURED HOMES** are eligible provided they are permanently affixed (made substantially immobile by the use of brick, wood, or masonry underpinning with wheels and axles removed).
- **RENTAL PROPERTY** is not eligible.

For complete eligibility guidelines, repayment information, and other information regarding the Weatherization Grant Program, please contact the Community Development Office at (912)383-0277. Email: ghenderson@cityofdouglasga.gov www.cityofdouglasga.gov/grants

3rd Annual South Georgia Seed Swap Saturday, Feb. 28, 2026 | 11am-2:30pm

2026 is a monumental year... a year to embrace our past, and to cultivate a connection with our agrarian heritage and our community. We're excited to announce that we will again be hosting the South Georgia Seed Swap at General Coffee State Park! Rain or shine join us February 28th!

Meet at the Relihan Museum & Nature Center. We encourage all who plan to join us to bring some non-GMO, heirloom, or native seeds to swap with others in attendance. If you have old local varieties we especially hope you'll attend and share!

Presentations on heirloom seeds and seed saving will take place throughout the event. There will be tables, chairs, and plenty of good conversation. Whether you're an experienced gardener or a novice, this is a wonderful learning event.
