CITY OF DOUGLAS NEWS

HERITAGE STATION MUSEUM TO RE-OPEN ON AUGUST 4TH

Heritage Station Museum will re-open to the public on Thursday, August 4, 2011. Visitors to the museum are welcome to stop by Thursday – Saturday, 10:00am – 4:00pm. Further plans for the museum will include forming a local Historical Society as well as build a list of community volunteers to help ensure the Heritage Station Museum will have continuous programming and convenient hours of operation available to the public. The City will be counting on the community’s support to help preserve as much local history as we possibly can. More information about the formation of the Historical Society, events, program, exhibits, membership, and volunteer program, related to the Heritage Station Museum will be released at a later date.

If anyone would like to become a volunteer at the museum, please call 383-0277.

CITIZENS INVITED TO TOWN HALL MEETING, AUGUST 16, 2011

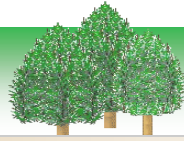

The City of Douglas invites all current Douglas citizens to attend a Town Hall meeting, August 16, 2011 at 6:30 p.m. at the C.E. Weir Center. Your presence is essential to make the event a success. Elected officials will be present, seeking citizen input about improvements for our community and quality of life. The main topics to be discussed will be the proposed [annexation plan](#) and the affect of annexation on the current citizens of Douglas.

“It is essential that we have input from our citizens as we grow and change as a community,” says City Manager Terrell Jacobs. “We also want to raise awareness of our programs and services as well as receive valuable input from our citizens regarding those services. At this Town Hall meeting, we need to hear, from our current citizens, any questions regarding the proposed annexation plan and timeline. At a later date, we plan to have at least 5-6 informational meetings, for individuals in the proposed areas of consideration, to voice their concerns about the proposed Annexation.”

For more information about the Town Hall Meeting, call City Hall at (912) 389-3401.
