## City of Douglas News

### CITIZENS INVITED TO TOWN HALL MEETING, OCTOBER 23, 6:00PM

The City of Douglas invites all citizens to attend a Town Hall Meeting, Tuesday, October 23, at 6:00 p.m. at the Central Square Complex, Gym B. Your presence is essential to make the event a success. Elected officials will be present, seeking citizen input about improvements for our community and quality of life. The main topic to be discussed will be utility billing awareness.

Citizens who have questions regarding utility billing and utility billing rates need to attend this informative meeting. Representatives from the Municipal Electric Authority of Georgia, Tyler Technologies, and the City of Douglas Utility Customer Service Dept. will be on hand to share information with the citizens of Douglas. For more information about the Town Hall Meeting, call City Hall at (912) 389-3401.

### ATTENTION CITY OF DOUGLAS UTILITY CUSTOMERS

Please be aware that the City of Douglas has been undergoing software conversion. As a result of software conversion in the Customer Service Department, for the next few months utility customers will experience billing cycles that may be a little longer or shorter. The online bill pay service will not be accessible to customers until Wednesday, October 12, 2012. Beginning October 12<sup>th</sup>, customers will be allowed to access the online service. At that time, customers will need to set up a new username and password since their old username and password will not work. We apologize for any inconvenience and appreciate your patience. Please contact the [Customer Service Department](#) at (912) 389-3499 for any utility billing questions.
