## Mayor's Monthly Minutes – January 2019

Happy New Year citizens of Douglas! The great year of 2019 has begun and I am ready to get started with improvements for Douglas. I hope to see growth and prosperity for our great city in 2019. There is already proof that Douglas is growing and please remember that with growth, there comes growing pains. I ask all citizens to please be patient as road expansions and improvements continue. I promise, once it is done, everyone will appreciate the road enhancements that have been made possible by Georgia D.O.T. and the contractors. ## CITIZENS ARE URGED TO REPORT NON-EMERGENCY CITY ISSUES - IF YOU SEE SOMETHING, SAY SOMETHING

The "See Something, Say Something" campaign can be used for more issues other than crime reporting. Citizens are encouraged to report discolored/rusty water, "smelly" water, potholes, electrical outages, water leaks, and other related items for the City.

"We hope that citizens will report needed repairs to the City," says City Manager Charles Davis. "See Something, Say Something, goes beyond law enforcement related activities. If your water is discolored or smells, a street light is out, a large pothole is on your street, or if you notice a water leak, we want you to report it to us so we can make the necessary repairs."

Citizens should continue to report criminal related activities to the Police Department Anonymous Crime Tip line, 260-3600. For all other non-emergency activities, citizens should call 311 or 912-384-3302 to report repairs and non-criminal incidents to the City.
