GEORGIA Enrollment & Fingerprinting Services

Enrollment for Licensing, Certification, or Employment requirements in Georgia

Identified by IDEMIA, is the leading biometric solutions provider for state and local agencies, specializing in the secure capture and transmission of electronic fingerprints for employment, certification, licensing and other verification purposes.

Enter your service code to get started.

Click on the "GET STARTED" button to begin the registration process. If you are already a registered user, click on the "Log In" button to access your account. If you are a new user, click on the "New User" button to create a new account.

User navigates to new GAPS website; enters the provided Service Code and clicks “GET STARTED” button to begin registration process.

Additional Services

To look up an existing registration status or make changes to your appointment, please select “Reschedule or Manage Appointment.” For all other services, make a selection below. Applicants that do not reside in Georgia should choose the Mail-In Physical Fingerprint card option below.
