**FOR IMMEDIATE RELEASE**

**Statewide Outdoor Water Use Schedule Applies to Douglas**

The City of Douglas Water & Wastewater Director, Ernie Crussel, wishes to advise citizens of Douglas that the Statewide Outdoor Water Use Schedule applies to Douglas. All citizens of Douglas should adhere to the water restriction and use outdoor water according to the mandated schedule below.

- Odd-numbered addresses may water only on Tuesdays, Thursdays, and Sundays from 12:00 midnight to 10:00a.m.
- Even-numbered or unnumbered addresses may water only on Mondays, Wednesdays, and Saturdays from 12:00 midnight to 10:00a.m.

The Board of Natural Resources adopted Rules for Outdoor Water use, Chapter 391-3-30 in May 2004. Under the rules, Georgians are required to follow schedules for outdoor water use during both non-drought periods and during periods of declared drought. The rules are consistent with Section 4 (Drought Responses) of the Georgia Drought Management Plan, which the Board adopted in 2003.

The rules apply to any entity, and its customers, permitted by EPD for water withdrawal or for the operation of a public drinking water supply system.

Local governments and water providers are authorized to implement more stringent outdoor water use schedules within their jurisdictions.

For more information about water schedules in your Douglas and the entire state of Georgia, contact your local water provider at 389-3442. For more information on water conservation and outdoor water use, please [www.conservewatergeorgia.net](http://www.conservewatergeorgia.net)
